REQUEST FOR RESUMPTION OF BENEFITS

Under the rules of this pension plan, a retiree whose benefits have been suspended must notify the Fund Office when he/she stops working before pension payments may be resumed.

Please use this form for such notification. Unless the form is completed and returned to the Fund Office, your pension payments will not be resumed.

1. Your name _____ Social Security No. _____

2. Your mailing address _____
Street City/State Zip

3. Name and Address of last employer _____
Street City/State Zip

If self-employed, check here

4. Location where work was performed _____

5. Last Day of work _____
month day year

This information will be checked by the Fund Office. Payments will be resumed no later than the first day of the third month after the month in which you stopped working. Any amounts withheld during the period between the time you stopped working and the time payments are resumed will be included on the first check issued when payments are resumed.

If any overpayments have been previously made, they will be deducted from future benefit checks in accordance with plan rules.

REMEMBER: Even though you stop working, benefits will not be resumed until the Fund Office receives this form.
